Hobbies

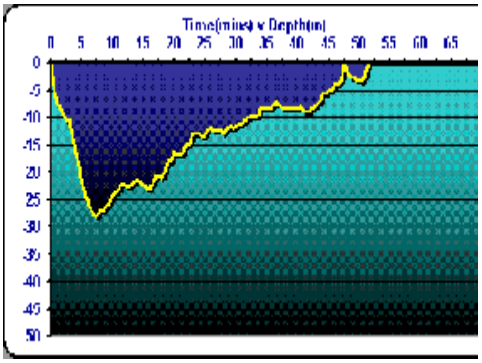

I have several hobbies. My main ones are scuba diving and golf (information to be supplied later). You can follow the links on the left to learn more about these.

Most of the pages on this web-site have a "printer-friendly" version that is in Adobe PDF format. Click on the icon on the relevant page to view this version for printing. These PDF files were produced by printing to A4 size with margins set at 2mm for left & right and 4mm for top & bottom using "pdf995" (www.pdf995.com) (if you are interested, another PDF writer that can be downloaded for free is "cutepdf" (www.cutepdf.com)).

If you do not have Adobe Acrobat or Adobe Reader installed on your system, click on the Adobe Reader button below to download a free copy.
